EXPERIENCE

Software Engineer <i>EVVO Technology Solutions, India</i>	Jun 2025 – Present
- Built scalable healthcare credentialing, government analytics, fitness engagement and ISO workflow applications using MERN/MERN-TS architecture. - Developed secure REST APIs, role-based access control, authentication modules and workflow automation systems. - Designed analytics dashboards, multilingual modules, reporting systems and document management solutions. - Integrated AWS S3 storage, Docker deployments and enterprise-grade backend services.	
Web Developer Intern <i>Nashi Informatics Solutions, India</i>	Dec 2024 – Mar 2025
- Developed responsive React.js dashboards and analytics modules for real-time IoT monitoring systems. - Built Chart.js visualizations, reporting modules and automated alert workflows.	

PROJECTS

DMMR – District-wise Monitoring & Reporting System <i>(MERN, MySQL, AWS S3, Docker)</i> Government AIDS monitoring dashboard with district/state analytics, Excel import/export workflows and secure document management.
SyncFit – Fitness & Wellbeing Platform <i>(MERN-TS, Prisma, MySQL, PostgreSQL)</i> Developed challenge systems, leaderboards, multilingual support, push notifications and engagement analytics.
AcceCred – Healthcare Provider Credentialing Platform <i>(MERN, MySQL)</i> Built provider onboarding, enrollment, compliance tracking, credential verification, document management and hospital credentialing workflows.
Clear Align – ISO Policy Management <i>(MERN-TS, MySQL)</i> Implemented approval workflows, role hierarchy management and AI-assisted policy mapping automation.

OPEN SOURCE

dbopt-engine <i>(Node.js, SQL, Query Analysis)</i> Autonomous database optimization engine that detects slow queries, recommends indexes, identifies unused indexes and improves database performance.
jerant <i>(Node.js, Express, Fastify)</i> Automatic API documentation generator supporting runtime traffic analysis, route discovery, schema inference and documentation generation.

EDUCATION

MBA (Systems Management) – Alagappa University	2026 – 2027
MCA – St. Joseph's College (Autonomous), Tiruchirappalli	2023 – 2025
BCA – St. Joseph's College (Autonomous), Tiruchirappalli	2020 – 2023
